Dear Parents,

Greetings and blessings to you!

Here at St. Paul's Early Learning Center, we are dedicated to being a secure place for children and families to learn and grow in their faith walk, social skills, and academic knowledge. We are committed to quality Christian care, an experienced and loving staff, and keeping tuition as affordable as possible. With the upcoming increase in the minimum wage rate in January, and the added costs that the pandemic has brought, we must implement a modest tuition increase. The tuition differences below will be effective on January 4, 2021.
